FLOTILLA SAILING HOLIDAYS

WHAT IS A FLOTILLA?

Your own yacht, with expert lead crew support

Set sail freely on your own yacht, knowing our expert lead crew has your back, then connect with fellow sailors each evening under brilliant sunsets.

Our knowledgeable lead crew await you at reserved quays, ready to catch your lines and share captivating local insights. They ensure a safe and unforgettable flotilla sailing experience.

Sail in intimate flotillas of 7 to 8 yachts, never more than 12, for a friendly atmosphere. Our flexible approach lets you chart your own course: venture off independently, linger in a picturesque bay, or sail ahead to the next destination at your leisure.

No sailing experience? Ask about skippered flotilla sailing, with one of our skippers on board.

- ✓ Optional activities: a welcome punch party, group meals, a beach party and a farewell dinner

GREECE • CORINTH CANAL & SARONIC GULF

CORINTH CANAL & SARONIC GULF FLOTILLA

A tale of two spectacular gulfs

One-way weeks between Kiato and Korfos, with a transit of the iconic Corinth Canal every week.

We operate one-way routes during the summer, starting alternately in Kiato and Korfos. One week starts in Kiato and explores the Gulf of Corinth, an area off the radar for most sailors. Set foot in the quaint harbours of Galaxidi and Trizonia, where ancient charm meets modern allure, and the week then culminates with a transit of the Corinth Canal.

The second week starts in Korfos in the Saronic Gulf and explores the best of the Saronic Gulf before a voyage through the iconic canal. See the engineering marvel that has connected the Aegean and Ionian Seas, as you make your way to the sun-drenched shores of Aegina, Poros and Epidavros.

Our Lefkas flotillas start and finish in Nikiana harbour, on the east coast of the island. SHARED SAILING • CABIN CHARTER

SHARED SAILING

Book a cabin, join a small crew

Book a cabin on a skippered yacht and go island hopping in Greece or Thailand, as involved with the sailing as you like.

On a cabin charter you book a cabin rather than the whole yacht. We provide a professional skipper to do the sailing and to act as your guide, although you are more than welcome to get involved as we explore.

Each yacht takes a small crew, so you can come on your own, as a couple or with friends: island hopping made easy, from undiscovered gems such as Meganisi, Kalamos and Ithaca to famous islands like Mykonos, Santorini and Paros.

Good to know

- ✓ A professional, English-speaking skipper
- ✓ Book by the cabin: alone, as a couple or with friends
- ✓ No sailing experience needed
- ✓ A different island or harbour almost every day

Adventures in the Ionian

Sail from Lefkas through green islands, turquoise bays and Venetian towns, from Sunday to Sunday.

Adventures in the Cyclades

Island hop through the Aegean from Mykonos, on yachts with en suite cabins.

Adventures in Thailand
